POLICIES

To reschedule a class or to receive a credit, the class must be cancelled **48 HOURS** prior to the start of the class.

If you cancel late (less than 48 hours notice) or don't show up, you have the option of doing a make-up class.

Make-ups cannot be scheduled. It is your responsibility to call us within **one hour** of the class you wish to attend and check availability. Make ups need to be done in the next 6 days after the missed class.

If you ask to be registered in the book, expect to pay for the class whether you come or not.
